2. **Returning to In-Person Learning.** We are looking forward to Tuesday, January 19 when all elementary students will return to in-person learning, and our middle and high school students return to hybrid learning.

Also, we are excited to see so many of our students who were learning via FuelED return to in-person learning. We'll see you on Tuesday.

3. **FuelED Re-Starting.** FuelED classes resumed on Monday. Principals are working with students and parents to make sure they have everything in order to access this coursework. There will be opportunities for students to connect with students who are learning in-person. This information will come from school leaders.
4. **2021-22 Choice Window Opening.** Next Tuesday, we will be opening the Choice Window for the next school year. More information will be provided via an update from Eric McMartin (Assistant Superintendent) and online at www.mssd14.org .
5. **MSSD COVID Intake Form.** We ask that everyone continues to use the MSSD COVID Intake Form. This form is used only for students and staff who are absent due to unexplained or unexpected illness. This new process allows us to have consistent communication with staff and parents, which ultimately contributes to a stronger contact tracing process and the continuation of in-person learning.
