To the MSSD14 Community:

The Manitou Springs School District 14 Board of Education thanks you for your support during our Superintendent hiring process. We are moving forward and appreciate all of the valuable feedback we have received.

On April 9th, John Merriam, the Colorado Association of School Boards consultant, facilitated six scheduled Focus Group sessions for our community. Throughout the day, fifty participants from the schools and District provided honest and helpful feedback that was used in the development of the Superintendent vacancy brochure. As a result, this week the job application for a Superintendent for MSSD14 was made available.

Our next step is to create two teams of volunteers interested in participating in the interview process. If you are interested, please contact Marsha Weimer at mweimer@mss14.org. Participants must be available for a team training on May 20th at 4pm and on Tuesday June 4th from 8:30am-2:30pm for candidate interviews.

We will have additional opportunities to meet the candidates and participate in the hiring process. The BOE will continue to share these opportunities with each of you as things progress.

As always, thank you for all you do for the District. We love our MSSD14 family.

The Manitou Springs School District 14 Board of Education
